

BDEIG, Inc.

*Brazilian Dimensional Embroidery
International Guild, Inc.*

The Brazilian Dimensional Embroidery International Guild, Inc. has worldwide membership in the United States, Canada, UK, Australia, Saudi Arabia and South Africa.

Workshops and classes held throughout the year are presented by a variety of professional teachers. Members are kept up to date and in touch with other stitchers with a quarterly newsletter. BDEIG also hosts seminars and needlework-related tours to spread the knowledge of new stitch techniques in dimensional embroidery.

For further information on the Guild please contact:

Brazilian Dimensional Embroidery

Brazilian embroidery is hand stitchery worked with Z-twisted rayon floss and dimensional stitches. It may be enhanced with the addition of fine growth and field flowers.

Rayon floss is available in many different weights and solid, shaded, variegated or overdyed colors. It is easy to care for and can be washed by hand or machine.

Brazilian Embroidery

is used to embellish clothing, linens, pillows, wall hangings, crazy quilts and many other needleart heirlooms.

The world of Brazilian embroidery offers a rich variety of designs and books for needlework enthusiasts. For a listing of teachers, designers or supplies, please contact us.
